RECITALS.

- A The Company proposes to issue Capital Notes constituted as provided in this Deed
- B Fletcher Building has agreed to guarantee all indebtedness of the Company under this Deed, to provide for the conversion of the Capital Notes into Fletcher Building Shares in certain circumstances and to refrain from paying dividends or making other Distributions on Fletcher Building Shares for so long as any interest on the Capital Notes is unpaid, and accordingly has agreed to become a party to this Deed and the Capital Notes
- C Because the Capital Notes will be offered to members of the public in New Zealand, the Securities Act 1978 and Securities Regulations 1983 require the appointment of a trustee in respect of the Capital Notes and the execution by the Company and the Trustee of a trust deed
- D The Trustee has agreed to act as trustee on behalf of the Noteholders of the Capital Notes on the terms and conditions of this Deed
- E The Capital Notes are unsecured subordinated indebtedness of the Company and the Guaranteed Indebtedness is unsecured subordinated indebtedness of Fletcher Building. The claims of the Noteholders will, in a Liquidation of the Company, rank ahead of Fletcher Building as shareholder of the Company and, in a Liquidation of Fletcher Building, rank ahead of shareholders of Fletcher Building, but behind the claims of all other creditors of the Company or Fletcher Building, as applicable, (in each case, other than any such creditors who specifically agree or it is intended that their claims shall nevertheless rank equally or behind the claims of holders of Capital Notes)

- (a) Each Capital Note bears interest at the Interest Rate, calculated on its Principal Amount, and, unless otherwise agreed by the Company and the first Noteholder (the "**Purchaser**"), accruing daily from the date specified in any investment statement, prospectus or other offer document in relation to the Capital Notes by the Company to the Purchaser (such date, or other date agreed by the Company and the Purchaser for the purposes of interest calculation, as entered on the Register being the "**Issue Date**"), on the basis of a 365-day year provided that, if such Capital Note is purchased on the Issue Date at a discount or premium to its Principal Amount, the interest payable on the First Interest Date shall be calculated by applying the yield to maturity (as notified by the Company to the Purchaser at the time of purchase) to the purchase price. Interest shall cease to accrue on each Capital Note on the date upon which it is converted into Fletcher Building Shares in accordance with these Conditions (the "**Conversion Date**") or, in the event of the Liquidation of the Company or Fletcher Building, on the date (the "**Redemption Date**") on which the Capital Note is redeemed by payment of the Liquidation Amount in accordance with Condition 2.2.
- (b) In these Conditions all interest on the Principal Amount of the Capital Notes which has accrued but not become payable in accordance with these Conditions is referred to as "**Accrued Interest**".
- (c) Unless otherwise agreed by the Company and the Purchaser including in any investment statement, prospectus or other offer document in relation to the Capital Notes (and subject to any previous Conditions applicable to the Capital Notes), any interest paid on the First Interest Date shall be paid to the Purchaser of the Capital Notes, whether or not on that date the Noteholder of the Capital Notes is some other person. All other interest shall be paid to the Noteholder in accordance with these Conditions.

3.2 **Interest and Unpaid Interest** Interest on the Principal Amount of the Capital Notes accrued during each Interest Period is payable in arrears on the relevant Interest Date. If an Interest Date falls on a day that is not a business day, then interest shall be paid on the next business day. All interest not so paid shall, so long as it remains unpaid, bear interest ("**Additional Interest**") at the Interest Rate accruing daily and compounded on each subsequent Interest Date. The Company may, at its option and upon giving not more than 14 days nor less than seven days notice to Noteholders (which notice may be accompanied by a postdated cheque), pay all or part of such interest and Additional Interest (together "**Unpaid Interest**") being, if part only, not less than all of the Unpaid Interest relating to one or more Interest Periods, but so that no Unpaid Interest relating to any Interest Period may be paid before the Unpaid Interest relating to any earlier Interest Period has been paid. All Unpaid Interest and Accrued Interest shall become due and payable in and upon the Liquidation of the Company or Fletcher Building, but subject to Condition 2.2.

For this purpose

- (a) "**Final Interest Date**" means the first to occur of the Conversion Date and the Redemption Date (as those terms are defined in Condition 3.1), and
- (b) "**Interest Period**" means the period from and including one Interest Date (or in the case of the first Interest Period the Issue Date) to, but excluding, the next (or, in the case of the first Interest Period, the First) Interest Date. For the purposes of this definition, if the relevant Interest Date falls on a non-

business day, the Interest Period will only be extended to the next business day if that Interest Date is also an Election Date

Except as provided in this Condition, the Company shall not be obliged to pay interest on any Interest Date but the Company and Fletcher Building have each covenanted in the Trust Deed not to pay any dividend on, or make any other Distribution in respect of, ordinary shares of the Company, in the case of the Company and Fletcher Building Shares, in the case of Fletcher Building, while any such interest remains unpaid. Any non-payment of interest on an Interest Date, other than the Final Interest Date, shall not constitute a default by the Company or Fletcher Building for any purpose.

3.3 **Payments** Subject to Condition 3.1, all payments under the Capital Notes may be satisfied by mailing cheques on the relevant Interest Date to the Noteholders at their addresses entered in the Register as at 5.00pm on the Friday immediately prior to the date which is seven business days prior to such Interest Date or where that Friday is not a business day, the business day immediately preceding that Friday or by direct credit to any bank account nominated by the Noteholder.

3.4 **Withholding Tax** All payments or credits to, or to the account of, Noteholders (including payments of, and credits in respect of, interest) will be made net of any tax in respect thereof required by law to be withheld, deducted or paid by the Company or Fletcher Building, as applicable, except to the extent that the Company or Fletcher Building, as applicable, is satisfied that the Noteholder is exempt from any such tax or is a person in respect of whom any such withholding, deduction or payment is not required to be made. Any Noteholder claiming any such exemption or to be such a person shall provide the Company and Fletcher Building with such evidence as the Company or Fletcher Building may from time to time, require to satisfy itself in respect of the validity of that claim.

4 **ELECTION TO RETAIN OR CONVERT**

4.1 **Election Notice** The Company shall give to each Noteholder not later than three days after the date (the "**Election Record Date**") which is 33 business days before the Election Date, a notice (an "**Election Notice**") specifying the new terms (the "**New Terms**") as to interest rate, interest dates, new election date (a "**New Election Date**", which expression shall also include a new election date specified in an Early Election Notice, as defined below) and otherwise varying the terms to apply to the Capital Notes after the Election Date.

4.2 **Noteholder's Election to Retain or Convert** The Noteholder shall complete and sign the Election Notice and return it to the Company not later than the date (the "**Notification Date**") which is 20 business days after the Election Record Date and shall indicate in the Election Notice either or both of

- (a) the Capital Notes (being Capital Notes having, except as approved by the Company (in its absolute discretion) which approval may be recorded in any investment statement, prospectus or other offer document in relation to the Capital Notes, an aggregate Principal Amount of not less than \$5,000 or any greater amount which is a multiple of \$1,000) in respect of which the Noteholder accepts the New Terms with effect from the Election Date, and
- (b) the Capital Notes which the Noteholder wishes to convert into Fletcher Building Shares on the Election Date.

If, in relation to a Capital Note

- (c) the Company does not receive an Election Notice from the Noteholder on or before the Notification Date, or
- (d) to the extent that the Company does so receive an Election Notice but such Election Notice does not indicate whether or not the Noteholder elects to convert all or part of the Capital Notes into Fletcher Building Shares, or
- (e) if the Election Notice requires a declaration to be completed by the Noteholder as to the name and domicile of the beneficial owner of the Capital Notes and such declaration is not duly completed, or
- (f) if for any reason (not attributable to the Company or Fletcher Building) the Election Notice is otherwise defective,

the Noteholder shall be deemed to have accepted the New Terms in respect of, in the case of (c), (e) and (f) above, all such Capital Notes and, in the case of (d) above, such number of such Capital Notes in respect of which no such indication has been given.

4.3 Early Conversion Rights Of Noteholders If, in the opinion of the Company (and whether as a result of a general offer to purchase made to some or all holders of Fletcher Building Shares or otherwise), any person, whether alone or acting in concert with any other person

- (a) is, or is entitled to become, the holder (absolutely or beneficially, and whether directly or indirectly) of 70 percent or more, in aggregate, of the Fletcher Building Shares, or
- (b) has, or will have, the right to cast more than 70 percent of the votes on a poll at a general meeting of Fletcher Building on a matter on which the holders of Fletcher Building Shares are entitled to vote,

the Company shall give notice (an "**Early Election Notice**") of such fact as soon as practicable after it has formed such opinion to the Noteholders whose names are entered in the Register on the date (the "**Early Election Record Date**") which is three days prior to the date the Early Election Notice is given. The Early Election Notice shall specify a date (an "**Early Notification Date**") which must be a business day not later than 10 days after the Early Election Notice is given and shall state that Noteholders may, at their option (but subject to Condition 4.5), by completing, signing and returning the Early Election Notice to the Company not later than the Early Notification Date, elect to convert all or some (as indicated by the Noteholder on the Early Election Notice) of the Capital Notes held by the Noteholder into Fletcher Building Shares on the date (the "**Early Election Date**") which is 13 business days after the Early Notification Date.

If, in relation to a Capital Note

- (c) the Company does not receive an Early Election Notice from the Noteholder on or before the Early Notification Date, or

- (d) to the extent that the Company does so receive an Early Election Notice but such Early Election Notice does not indicate whether or not the Noteholder elects to convert all or part of the Capital Notes, or
- (e) if the Early Election Notice requires a declaration to be completed by the Noteholder as to the name and domicile of the beneficial owner of the Capital Notes and such declaration is not duly completed, or
- (f) if for any reason (not attributable to the Company or Fletcher Building) the Early Election Notice is otherwise defective,

the Noteholder shall be deemed to have elected not to convert, in the case of (c), (e) and (f) above, all such Capital Notes and, in the case of (d) above, such number of such Capital Notes in respect of which no such indication has been given

4.4 Conversion to Fletcher Building Shares

- (a) **Basis of Conversion** Subject to paragraph (b) of this Condition and to Condition 4.5, Fletcher Building undertakes to convert any Capital Notes which the Noteholder has (or is deemed to have) elected to convert, less any such Capital Notes which the Company has elected to redeem or the Company, Fletcher Building or any subsidiary of Fletcher Building (or their nominee) has elected, pursuant to Conditions 4.5, to purchase, by the issue to the Noteholder on the Election Date or the Early Election Date (as the case may be) of such number (fractions being rounded to the next whole number) of Fletcher Building Shares as is obtained by dividing the Relevant Amount by the Value of one Fletcher Building Share

For this purpose

- (i) **"Relevant Amount"** means, in respect of any Capital Notes, the aggregate as at the Election Date or Early Election Date (as the case may be) of the Principal Amounts of, and Accrued Interest and Unpaid Interest in respect of, such Capital Notes, and
- (ii) **"Value"** means, in respect of any Fletcher Building Shares, 98 percent of the weighted average sale price of the Fletcher Building Shares (expressed in cents and fractions of cents) sold on the Stock Exchange on each of the 10 business days immediately following the Notification Date or Early Notification Date (as the case may be). If no Fletcher Building Shares have been so sold during such period, the weighted average sale price will be deemed to be the price at which the Fletcher Building Shares were last sold on the Stock Exchange prior to such period, as determined by the Stock Exchange

Each Fletcher Building Share issued pursuant to this Condition shall rank *pari passu* in all respects with the Fletcher Building Shares then on issue, except that such Fletcher Building Shares will not carry any rights to any dividend or other Distribution declared or paid or made on such Fletcher Building Shares by reference to a record date prior to the Election Date or the Early Election Date (as the case may be). If any dividends or other Distributions are declared or paid or made on Fletcher Building Shares by reference to a record date after the Notification Date or Early Notification Date (as the case may be), but before or on the Election Date or Early Election Date (as the case may be), then, for the purposes of this Condition, the sale price for such Fletcher Building Shares on the day of and preceding such record date will be adjusted by the directors of Fletcher Building to such extent as they consider

reasonable having regard to such dividend or other Distribution. Letters of allotment or certificates (if any) in respect of Fletcher Building Shares so issued shall be posted to the relevant Noteholders on, or as soon as practicable after, the Election Date or the Early Election Date (as the case may be)

- (b) **Alternatives to Conversion** If, at any time prior to the Election Date, Fletcher Building is unable lawfully (other than by reason of its own action or inaction) to issue Fletcher Building Shares to Noteholders in conversion of Capital Notes in accordance with these Conditions or Fletcher Building Shares cease to be eligible to be quoted on the Stock Exchange, the Capital Notes will be unaffected and continue in force on their then terms (including as to Interest Rate) until the Election Date or any earlier Early Election Date, and if on the Election Record Date or any earlier Early Election Record Date Fletcher Building is still so unable, or Fletcher Building Shares are still not so eligible to be quoted and the Trustee is not satisfied that such Fletcher Building Shares will become eligible to be so quoted within 30 days, the Noteholders' right to elect to convert their Capital Notes into Fletcher Building Shares on the Election Date or Early Election Date (as the case may be) shall be deemed to be suspended and the Election Notice or Early Election Notice (as the case may be) will specify
- (i) that the Interest Rate to apply to the Capital Notes from the Election Date or Early Election Date (as the case may be) to the New Election Date will be the "Market Rate" (as defined below) as at the Election Date or Early Election Date (as the case may be), and
 - (ii) a New Election Date (which shall be a business day) to be selected by the Company such that the period from the Election Date or Early Election Date (as the case may be) to the New Election Date shall not exceed five years

If, between the Election Record Date and the Election Date or between any Early Election Record Date and any Early Election Date, Fletcher Building becomes unable lawfully (other than by reason of its own action or inaction) to issue any Fletcher Building Shares to Noteholders in conversion of Capital Notes in accordance with these Conditions or any Fletcher Building Shares cease to be eligible to be quoted on the Stock Exchange any election by a Noteholder to convert Capital Notes will be deemed to be void and the Capital Notes will be unaffected and continue in force from the Election Date or Early Election Date (as the case may be) on the terms specified in the Election Notice or Early Election Notice (as the case may be), except that

- (iii) the rate of interest payable on the Capital Notes from the Election Date or Early Election Date (as the case may be) to the New Election Date will be the Market Rate (as defined below) as at the Election Date or Early Election Date (as the case may be), or such other rate as may be proposed by the Company and agreed to by the Trustee, and
- (iv) the New Election Date (which shall be a business day) to be selected by the Company and notified to the Noteholders, shall be such that the period from the Election Date or Early Election Date (as the case may be) to the New Election Date shall not exceed five years

For this purpose

- (a) "**Market Rate**" means the rate percent per annum which is equal to the aggregate of

- (A) the Government Stock Rate (as defined below) as at the Election Date or Early Election Date (as the case may be), and
 - (B) the margin, expressed as a rate percent per annum, by which the Interest Rate on the Capital Notes exceeds the Government Stock Rate as at the Interest Determination Date (as defined below), and
- (b) **"Interest Determination Date"** means the later of
- (A) the date on which the Capital Note was issued or, if the Capital Note was issued as one or more of a series, the first date on which any of the Capital Notes of such series were issued, and
 - (B) the last date on which any New Terms applicable to the Capital Note came into effect, and
- (c) **"Government Stock Rate"** means the average of the bid rates for the purchase of New Zealand Government Stock of a term that is the nearest equivalent to
- (A) for the purposes of (a)(A) of the definition of Market Rate the period from the Election Date or Early Election Date (as the case may be) to the New Election Date; and
 - (B) for the purposes of (a)(B) of the definition of Market Rate the period from the Interest Determination Date to the Election Date,

as quoted to the Company by any three registered banks, selected by the Company and approved by the Trustee, at or about 11 a.m. on any relevant date or if, in the opinion of the Company, the average of such bid rates does not accurately reflect the then current market yield to maturity (expressed as a rate percent per annum) obtainable on such New Zealand Government Stock or on other then available New Zealand Government debt securities or if, at or about that time, for any reason, less than three registered banks are quoting such bid rates, the Government Stock Rate shall be the rate determined by an independent financial expert, to be selected by the Trustee after consultation with the Company, as being equal to the then current yield to maturity (expressed as a rate percent per annum) obtainable on New Zealand Government Stock (or if there is none, other fixed interest securities or other securities considered by such expert to be substantially the equivalent of New Zealand Government Stock) having a term which is the nearest equivalent to the relevant term

4.5 Option to Redeem or Purchase Notwithstanding any other Condition

- (i) the Company shall have the option to redeem for cash on the Election Date or Early Election Date (as the case may be), and
- (ii) the Company, Fletcher Building or any subsidiary of Fletcher Building (or their nominee) shall have the option to purchase for cash on the Election Date or Early Election Date (as the case may be),

all or any Capital Notes which, but for this Condition, Fletcher Building would be obliged to convert into Fletcher Building Shares pursuant to Conditions 4.3

or 4.4 The redemption or purchase price shall be an amount equal to the aggregate of the Principal Amount of, and the Accrued Interest and Unpaid Interest in respect of, such Capital Notes as at the date of payment of the redemption or purchase price. Payment for such Capital Notes shall be made by cheque drawn in favour of, and posted not later than the Election Date or Early Election Date (as the case may be) to the address in the Register of the relevant Noteholder or may be direct credited on such day to any bank account nominated by such Noteholder. Each such payment, when cleared, shall be a complete satisfaction and discharge of any obligation of the Company or Fletcher Building to the relevant Noteholder in relation to such Capital Notes, including the obligation of Fletcher Building to issue Fletcher Building Shares in conversion of the relevant Capital Notes.

If and to the extent that the Company, Fletcher Building or a subsidiary of Fletcher Building (or their nominee) elects to exercise such option it shall give notice of such exercise to the relevant Noteholders not later than three business days prior to the Election Date or Early Election Date (as the case may be) in such manner as the Company, Fletcher Building or the subsidiary of Fletcher Building (as the case may be) determines to be the most practicable in all the circumstances (including by telephone subject to later confirmation in writing), but any omission to give such notice and/or the non receipt of such notice by any Noteholder shall not invalidate or otherwise affect the rights and obligations of the Company to redeem Capital Notes or of the Company, Fletcher Building or the subsidiary of Fletcher Building (or their nominee) to purchase Capital Notes.

4.6 **Share Registry** All Fletcher Building Shares issued upon the conversion of Capital Notes will be entered on the Share Register of Fletcher Building in New Zealand.
